

RONDEBERG RESORT

ON BULSHOEK DAM, CLANWILLIAM

Dear Guest.

2020-03-18

WE ARE OPEN. Relax and Recuperate away from the crowds.

Coronavirus (COVID-19) is having a significant impact on the world and now also on South Africa.

On Sunday evening, President Ramaphosa declared a national state of disaster, "a measure proportionate to the severity of the threat to our people, to our society and to our economy."

As an entity that connects with many of South Africans, we feel the responsibility to respond in a manner that meets the level of urgency that the President has requested. We are committed to work with all citizens to protect the wellbeing of our nation.

We have already put into action a number of key plans to minimise the threat of this virus and to ensure the safety of our guests and staff.

We have implemented the following at Rondeberg Resort:

- Ensuring efficient sanitising practices for all staff
- Hand sanitisers to be available for our guests
- Increased frequency of cleaning practices in higher density and common use areas.
- Informed our staff of effective social distancing methods.

We believe that Rondeberg offers great weather conditions, is not crowded and the atmosphere relaxing.

REGRETTABLY, WE CAN ONLY WELCOME SOUTH AFRICAN and NAMIBIAN CITIZENS, AND WILL NOT BE ABLE TO ACCOMMODATE ANY FOREIGN VISITORS. Effective immediately and will be reviewed by 6 April 2020

Our normal cancellation policy is applicable.
